Sustane 4-6-4

Compost Tea Bags

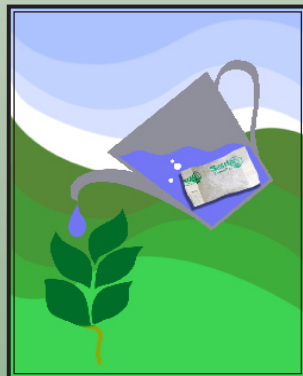

The most convenient, fast and dose-controlled way to feed plants. No measuring, no special equipment, no waste. Your plants receive the even feed slow release nutrients over time as needed. The Sustane Root Zone Feeder Paks feed plants up to 4 months. Makes a great plant "tea".

Designed for dual application for the avid organic gardener. This permeable fertilizer pak can be left to steep in a watering can overnight to make a Compost Tea brew for topical application; or installed in the soil or potting mix as a Root Zone Feeder Pak. Sustane® 4-6-4 Root Zone Feeder Paks: Provide single dose applications of Sustane organic slow release nitrogen fertilizer. Sustane Feeder Paks are designed to provide lasting plant nutrition in a completely biodegradable filter pak.

Directions for Use

Compost Tea: Place 1 - 3 tea bags into watering can, let steep overnight, apply topically to leaves and soil the following day. Reapply fresh tea weekly.

Feeder Paks: Place into the root zone of potted or bed-grown plants at planting or re-potting time. Reapply once every 3 to 4 months during routine fertilization maintenance after plant establishment.
